Note In accordance with the Agency Regulations, the Hong Kong Quality Assurance Agency undertakes no liability or responsibility for any product or service supplied by the organization in accordance with the requirements of this Certification Scheme. The use of the Accreditation mark(s) shown on this certificate (if applicable) indicates accreditation in respect of those activities covered by that Accreditation Authority. This certificate remains the property of HKQAA and shall be returned when required by the Agency. Further clarifications regarding the scope of this certificate and the applicability of ISO 50001 : 2018 requirements may be obtained by consulting the organization. If the certification site is located in Mainland China, the information of this certificate may be obtained at the official website of the Certification and Accreditation Administration of the People's Republic of China (www.cnca.gov.cn); and please refer to the appendix for the detail information regarding the annual comprehensive energy consumption and boundaries. The appendix is part of this certificate with the same number indicated.
